

WOLF-PAK® STERILE ALCOHOL

Why Wolf-Pak® Sterile Alcohol?

At Wolf Medical Supply, we are committed to quality by consistently providing superior products and unsurpassed services. That means the dependability and performance of our Wolf-Pak® Sterile Alcohol spray is unmatched.

- 70% USP Grade Isopropyl Alcohol
- 30% USP Purified DI Water or Water for Injection (WFI) Quality
- Alcohol blend filtered to 0.22 microns
- Leak tight bottle construction
- Each bottle is double bagged
- Gamma irradiated and validated to a sterility level of 10^{-6}
- Certificate of Sterility provided with each case
- Pyrogen Free
- Eliminates mixing and processing in-house
- Quick evaporation, leaving extremely low residue
- Lot traceable
- Non-atomizing adjustable spray; Fully assembled, ready to use
- Applications: surface cleaning, <USP> 797 and <USP> 800 aseptic areas and decontamination of surfaces
